## REPORT OF AUDITORS

The following is taken from a letter by Harold G. Fowler, Director, Division of Municipal Accounting, Tax Commission, to the Selectmen following audit of the Town's books on March 1 and 2, 1940:

### "TAXES:

The tax warrant of collector Wilson for the levy of 1939 was audited and balanced.

The balances of the levies of 1937 and 1938 which were uncollected as of January 31, 1939, and the Tax Sale Account were audited and balanced.

### SELECTMEN'S AND TOWN TREASURER'S ACCOUNTS:

Vouchers issued by the Selectmen during the fiscal year ended January 31, 1940, were examined as were also the supporting invoices and road agent's pay rolls. The cancelled checks of the town treasurer, issued upon orders of the selectmen, were compared with the vouchers and found to be in agreement. The receipts of the treasurer were checked by source insofar as it was possible to do so. Totals of receipts and expenditures were verified. The treasurer's cash book balance as of January 31, 1940, amounted to \$177.46 which agreed with the reconciled bank balance as of this date.

**TOWN CLERK:**

The town clerk's motor vehicle and dog license accounts for the fiscal year were audited and found to be correct as shown.

All funds received by the town clerks on account of motor vehicle permits and dog licenses issued during this period were remitted to the treasurer with the exception of the fees for dog licenses which the clerk retains in accordance with the provisions of the law.

**TRUSTEES OF TRUST FUNDS:**

The principal of the trust funds is deposited in savings banks, and all funds were accounted for by examination of the savings banks' books. A check of the receipts and expenditures of trust fund income was made, and the balance of income on hand at the end of the year verified.

**SCHOOL DISTRICT TREASURER:**

The accounts of the school district treasurer were audited for the period from February 1, 1939, to January 31, 1940. All payments were made on order of the school board.

The treasurer's cash book balance as of January 31, 1940, amounting to \$424.50 was in agreement with the reconciled bank balance of like date.

**GENERAL:**

No irregularities or discrepancies were discovered in the accounts of any of the officials. Recommendations and suggestions as to minor changes in accounting procedure were made during the course of the audit."

The essential features of the auditor's report are included in each officer's report printed herein.
